East Clarendon completed its second year in the High Schools That Work reform model in 2010-2011. East Clarendon Middle School completed its first year of Making Middle Grades Work reform model in 2010-2011.

East Clarendon Middle/High School meets the needs of students by providing a challenging curriculum that incorporates traditional strategies in addition to innovative instructional techniques to engage all learners. The high school partners with Central Carolina Technical College's F.E. Dubose Career Center to enhance our course offerings. Students can participate in hands-on career training or dual credit college courses.

Our dedicated teachers are active members of professional organizations in their content areas and participate in professional development opportunities offered by those organizations. Six of our teachers are National Board certified.

Sports programs offered have also been successful this year. Varsity volleyball, golf, and softball won their regions. Extracurricular activities along with the athletic programs offered by our school broaden and extend students' learning experiences. It is our belief that the current programs, combined with the continued support of all stakeholders, provide all students a learning experience that enriches and facilitates academic and personal growth.
